

Biofeedback for the Mind and Body: Windows for Regulation

2017 ANSA Annual Conference & Workshops

www.appliedneuroscience.org.au

	Friday 25 August	Saturday 26 August	Sunday 27 August	Monday 28 August	Tuesday 29 August
	08.15-08:45 Registration	08.15-08:45 Registration	08.15-08:45 Registration	08.15-08:30 Registration	08.15-08:30 Registration
	09.00am, 1-day Workshop Cross-Frequency Coupling as a Unifying Pathophysiology for Brain Disorders Treated by Neurofeedback and Brain Stimulation Dirk de Ridder, Theresia Stoeckl & Jay Gunkelman	8:45 Welcome Jon Hegg, ANSA President 09.00, Dr. Dirk de Ridder Working Mechanisms of Non-invasive Neuromodulation	8:45 Welcome Michelle Anifetos, BCIA-A Chair 09.00, Dr. Fred Shaffer – Neuroscience of Addiction	08.30am – 10.30am 2-day Workshop Fred Shaffer BCIA-accredited HRV Biofeedback Course	08.30am – 10.30am 2-day Workshop Fred Shaffer BCIA-accredited HRV Biofeedback Course
	10.30-10.50 Refreshments Break	10.30-10.50 Refreshments Break	10.30-10.50 Refreshments Break	10.30-10.50 Refreshments Break	10.30-10.50 Refreshments Break
	11.00-13.00 Workshop continues	11.00, Sue Stirling Working with Peripheral Biofeedback in the Context of Refugee Trauma 12.15 - Silver Sponsor: Moshe Perl, EEG Education & Research	11.00, Trevor Brown Neurofeedback for Performance Enhancement 12.15- Silver Sponsor: tba	11.00-13.00 Workshop continues	11.00-13.00 Workshop continues
	13:00 – 13:50 Lunch	12.30-13.20 Lunch, Tradeshow BCIA-A AGM (working lunch)	12.30-13.20 Lunch, Tradeshow	13:00 – 13:50 Lunch	13:00 – 13:50 Lunch
	14:00 – 15:30 workshop continues	13:30, Jay Gunkelman Treatment failure in psychiatry: EEG predictors and optimizing outcomes	13.30 -15:00: Leslie Sherlin Finding Flow States	14:00 – 15:30 workshop continues	14:00 – 15:30 workshop continues
Thursday 24 August	15.30 - 15.50 Refreshments	15:00 - 15.20 Refreshments	15:00 - 15.20 Refreshments (3-6pm BCIA Neurofeedback Exam)	15.30 - 15.50 Refreshments	15.30 - 15.50 Refreshments
10am – 1pm: QBoard QEEG Certification Exam	16.00-17.30 workshop concludes	15:30–16:30: ANSA AGM 16:30–17:00: APS NFG IG AGM	15:30-16:30: Student Award 16:30 - Conference Close	16.00-17.30 workshop concludes	16.00-17.30 workshop concludes
1pm - 2.30pm: QClub Lunch Meeting	17:30: ANSA Conference Registration Desk Open	18:30: ANSA Gala Dinner Platinum Sponsor: tba	18:00 – 21:00 ANSA Board - Dinner Meeting	17:30-18.30 happy hour	PROGRAM END
3.30pm to 9.30pm: Welcome to Canberra – Tour & Dinner	18:00: Welcome Reception Gold Sponsor: tba				

All Workshops and Conference events to be held at the [Hotel Kurrajong](#), 8 National Circuit, Barton, Canberra

REGISTRATION OPTIONS:

EVENT	AUD\$	DESCRIPTION
1-Day Preconference Workshop (Friday 25/8/17)	290	<i>Cross-Frequency Coupling as a Unifying Pathophysiology for Brain Disorders Treated by Neurofeedback and Brain Stimulation</i> , presented by Jay Gunkelman, Theresia Stoeckl, & Dirk De Ridder who collaborate to present this workshop The workshop explains how neurofeedback, infraslow network (sLORETA) neurofeedback, transcranial magnetic stimulation, and transcranial electrical stimulation (tDCS, tACS, tRNS) might influence maladaptive symptom-generating networks.
Friday Welcome Reception	60	<i>Following the Friday Workshop, stay on at Hotel Kurrajong for canapes and beverages with your professional friends and colleagues. (One Friday Reception ticket is included in Full Conference Registration packages. Please buy additional Reception tickets for your guests.)</i>
Surprise Package/ Members only Early Bird closes 28/2/17	550	Until 28/2/17, members only may register for the full program including: Friday Welcome Reception, Saturday & Sunday conference registration, morning and afternoon teas and lunches during Saturday and Sunday, and the Saturday Gala Dinner. Our conference speakers include Dirk de Ridder, Jay Gunkelman, Fred Shaffer, Sue Stirling, Leslie Sherlin, and Trevor Brown.
Full Conference Non-Member Registration	750	Anyone may register to attend the ANSA Conference. Our Full Conference Non-Member Registration is now open and your registration fee includes: Friday Welcome Reception, Saturday & Sunday conference registration, morning and afternoon teas and lunches during Saturday and Sunday, and the Saturday Gala Dinner. Our conference speakers include Dirk de Ridder, Jay Gunkelman, Fred Shaffer, Sue Stirling, Leslie Sherlin, and Trevor Brown.
Full Conference Member – from 1/3/17	650	From 01/03/2017, members may access discount registration for the full program including: Friday Welcome Reception, Saturday & Sunday conference registration, morning and afternoon teas and lunches during Saturday and Sunday, and the Saturday Gala Dinner. Our conference speakers include Dirk de Ridder, Jay Gunkelman, Fred Shaffer, Sue Stirling, Leslie Sherlin, and Trevor Brown.
Additional Gala Dinner	100	<i>Following the Saturday conference program, stay on at Hotel Kurrajong for dinner and beverages and enjoy live entertainment with your professional friends and colleagues. (One Gala Dinner ticket is included in Full Conference Registration packages. Please buy additional Dinner tickets for your guests.)</i>
Saturday Only registration	390	Saturday program includes presentations by Dirk de Ridder, Jay Gunkelman and Sue Stirling. Saturday conference registration does not include the Gala Dinner. Please buy that ticket separately. Catering is provided for morning and afternoon teas and lunch.
Sunday Only registration	390	Sunday program includes presentations by Fred Shaffer, Leslie Sherlin and Trevor Brown. Catering is provided for morning and afternoon teas and lunch.
Conference Concession	500	<i>Conference Concession is only open to Concession Card Holders & Full-time Students. This rate allows the delegate to attend the conference on Saturday & Sunday and includes morning and afternoon teas and lunches during both days.</i>
2-Day Post-Conference BCIA-accredited HRV Biofeedback Course	460	This workshop covers the complete BCIA 15-hour didactic requirement for the HRV Biofeedback Certificate addressing cardiac anatomy and physiology, respiratory anatomy and physiology, autonomic nervous system anatomy and physiology, heart rate variability, HRV instrumentation, HRV measurements, HRV biofeedback training strategies, and HRV biofeedback applications. This workshop is designed for biofeedback/neurofeedback practitioners, psychologists, clinical counsellors, clinical social workers, marriage and family therapists, nurses, physicians, and other health care professionals and academicians interested in utilizing heart rate variability (HRV) biofeedback in their practice or research. Attendees will gain practical knowledge about HRV and breathing assessment and training.

REGISTRATION OPEN NOW AT <http://appliedneuroscience.org.au/event-2313909>
